 HAIRDRESSING & BEAUTY THERAPY

SUBJECT AREA HIGHLIGHTS

Hairdressing and Beauty Therapy courses at Tresham are consistently some of our most popular in the College. We have salon training facilities at Corby and Kettering so all of our students are able to develop their skills across the widest range of techniques.

Our experienced team of tutors will work to develop your professional skills, taking you from the core techniques through to the latest technological developments in hairdressing and beauty therapy. Tresham Studios, our commercial hairdressing and beauty salons, operate at both campuses. These well equipped, industry standard environments give you the opportunity to gain practical, supervised experience working with fee paying clients.

ELLIE’S STORY

STUDYING: BEAUTY THERAPY LEVEL 3

Working in the beauty industry really appeals to me. I did my work placement in the spa at Ragdale Hall, which was a great experience and confirmed that this is what I want to do as a career. To get the placement I had to pass a trade test and interview process, and this all helped to give me a real insight into the industry, and I have now been offered a full-time position at Ragdale Hall.

CHARLOTTE’S STORY
STUDYING: HAIRDRESSING LEVEL 3
I’ve had a Saturday job at a salon for a while now and that’s what inspired me to study hairdressing at Tresham. It’s great being able to practice in my part time job what I’m learning at college.

The facilities are industry standard, so I feel confident that the training is getting me ready for a career in hairdressing.
